

## *Emerging Green Builders* integrating students and emerging professionals into the green building movement

**Date:** Friday, January 15<sup>th</sup>  
5:30-7:00

**Location:** University of Washington  
**Gould Hall Court**  
Seattle, WA 98195

As we kick off our 2010 programming, the Seattle Branch Emerging Green Builders, in collaboration with Students 4 Green Development and Sustainable Design, would like to invite you to join us at the University of Washington for an evening of professional mingling. We hope all Cascadia professionals, students and emerging professionals will participate!

We will be explaining the new guidelines for Cascadia's Living Building Challenge, announcing the details of this year's Natural Talent Design Competition, and partaking in some fun Speed Mentoring between students, emerging professionals and professionals from multiple disciplines of the green building industry. Food and beverages will be provided. We look forward to seeing you all there!

### **Who are the Emerging Green Builders (EGB)?**

The Emerging Green Builders is a USGBC program working to integrate students and emerging professionals into the green building movement.

### **Who can be an emerging green builder?**

Anyone interested in becoming more involved in green building from any discipline of study or practice is welcome to participate in EGB. Largely this group is comprised of students and emerging professionals involved in the green building movement. For the purposes of discounts and benefits, Emerging Green Builders is defined as any current full-time college student, person within 5 years of graduation, or individuals under the age of 30 (regardless of education/career status).

**No RSVP required ~ Free**

### EGB CONTACT

### CASCADIA CHAPTER

Cascadia is a chapter of the US Green Building Council (USGBC), the building industry’s only balanced, nonprofit, consensus coalition promoting the understanding, development and accelerated implementation of “green building.”

Cascadia serves its members by striving to fulfill the USGBC’s mission, realize its vision, and accomplish its goals in the Pacific Northwest region.

### MISSION

Cascadia’s Mission is to promote the design construction and operation of buildings in Oregon, Washington, Alaska and British Columbia that are environmentally responsible, profitable and healthy places to live, work and learn.

### CASCADIA CHAPTER BRANCHES

To overcome potential challenges associated with serving such a broad region, Cascadia Chapter Branches have been established to provide networking and continuing education opportunities for members and industry professionals in their immediate marketplace. Regularly scheduled meetings within each Branch will provide access to green building research and emerging issues that are pertinent to our region and locale. Currently, Branches are active in Portland, Eugene, **Seattle**, Spokane, Tacoma/Olympia , Thompson/Okanagan, Bellingham, Alaska, Victoria and Vancouver, British Columbia.

**EGB programming is made possible thanks to the generosity of our hosts and Friends of Cascadia. For a list of the Cascadia Friends and information on the benefits of becoming a Friend, please visit: [www.cascadiagbc.org/sponsorship](http://www.cascadiagbc.org/sponsorship)**
